

Marwa Mahmoud

CHILD DEVELOPMENT
SPECIALIST

ABOUT ME

Passionate and dedicated early childhood educator seeking a position at a center for children's education and development. Bringing over three years of experience in kindergartens and a strong background in interactive learning activities, with the goal of fostering a safe, creative, and engaging environment for young learners.

EXPERIENCE

- **Founder & Director of a Private Kindergarten**
2011 - 2015

Job Position

Designed a structured educational program for children aged 4–6 years, focusing on recognizing the alphabet and numbers in both Arabic and English, and developing early communication and motor skills.

- Developed an advanced educational plan for children aged 4–6 years, focusing on writing simple words, understanding basic math concepts, and enhancing language and social skills.
- Created innovative teaching methods that promote self-learning and support the achievement of age-appropriate educational goals.
- Continuously monitored and supported the academic and skill development of children by adapting activities to ensure effective learning outcomes.

Kindergarten Teacher | Private Kindergarten, Riyadh
2016 - 2019

Job Position

Responsibilities: Delivered age-appropriate activities, developed lesson plans, managed classroom dynamics.
